Indications point to a hot fight in the school board over the question of electing a new superintendent of the city schools. G. P. Putnam, the present incumbent of the position, has been superintendent of schools for nearly seven years, coming here from Colorado City and a 2000 position to sccept \$1500. Naturally he developed considerable opposition.

John T. Gaffney, a prominent business man of Los Angoles, Calif., is a visitor in the city. Senator W. W. Turney, Mrs. Turney and Judge J. R. Harper have returned from Washington, where they have been for some time.

W. H. Greer, manager of the ranches of the Victoria Land & Cattle company, arrived in the city from Deming on a brief business trip.

C. R. Morehead, accompanied by Mrs. Morehead, is especied to return from Santa Monica tomorrow. They have been gone for several weeks. A. W. Gifford, secretary of the In-ternational Miners' association, left for Lordsburg to wilness the blowing in of the Lena company's customs mill today.

Tom Lane, owner of the electric light plant in Parral, Chin., left for that place this morning. He is also putting in the new water works at Parral.

The El Paso smelter will be open for operations by April 15, according to H. R. Simpson, manager of the southern department of the American Smelting & Refining company, who is in the city on business.

St. Clement's parish will hold its annual meeting tonight for the reception of reports and election of vestrymen. The Easter offerings for all purposes amounted to \$828.50. At the meeting tonight Bev. M. Cabell Martin will make his tenth annual report.

Jeorge S. Good, the railroad contractor, who built the El Paso and llock Island extension, returned from a trip to Pennsylvania, where he went five weeks ago on a visit. Mr. Good will now look after construction work he is doing on the Dawson branch.
